### Best Selling International Collection Receptacles go **STAINLESS STEEL!**

- Café Style Domed Trash Top comes in 5 texture finishes, with 6" opening.
- Brushed Stainless Steel body is fire safe with a solid bottom.
- Top removes from body for easy empty and cleaning, unlike comparable units which require the entire body be lifted for emptying.
- Double beaded base provides additional body strength and stylish lines.
- 14-Gallon capacity, removable galvanized liner with grommet openings for easy lifting.
- 15" diameter x 31" high.

100% Made in the U.S.A.
