The Clincher™ Mop & Broom Holder

Helps prevent cross contamination.

The Clincher's 4" depth prevents mop-rot and wall damage by keeping supplies away from wall and door surfaces with 6 spring activated, heavy-duty rubber cams. Color-coded identifier labels help prevent cross-contamination.

- Constructed of steel finished in FDA Compliant white gloss EXL-COAT™ powder coat finish.
- 4" shelf and 5 out of the way hooks provide extra storage.
- Measures 34" wide with 16" on center mounting holes, mounting hardware included.

Organize your janitor closet with EX-CELL's stainless steel channel mop and broom holders.

- Heavy-duty, spring activated rubber cams ensure your supplies won't wind up on the floor.
- Type 304 stainless steel channels holds your mops and brooms 3" away from doors and walls.
