Side Bar Option for Bellman's Carts
 Turn any EX-CELL Traveler's Series Bellman's Cart into a complete package delivery cart. Perfect for groceries, dry cleaning, packages, etc.

Stainless Steel Side Bars help keep item from falling off the cart. Two Stainless Steel side bar assemblies and 8 twist and hold clamps fit securely on the cart sides. Bars snap on and off easily and can be stored on the cart's side when not in use. Perfect for secure cartage of groceries, packages, or other smaller items.

Platform Truck

Attractive unit for simple cartage. Perfect for offices, lobby areas, schools, yet durable enough for use in demanding industrial environments. Deck is 1" carpeted plywood with a reinforced welded steel undercarriage and full wrap-around bumper. Needle punched stain-proof carpeting. Tubular steel handle with optional safety bars. Handle is finished in durable EXL-COAT™ Powder in Black Satin.
