NEW! Premier Series XL™

Ex-Cell is pleased to announce the latest addition to our line of Waste Receptacles, the Premier Series XL™!

In the Ex-Cell tradition of the highest quality products to satisfy market needs, the Premier Series XL™, model # WR-2234F S/S, features a brushed Stainless Steel body with funnel tops finished in a choice of five finger-print proof textured finishes with a 12" opening.

The 45-gallon capacity, leak proof, LLDPE plastic liner has lift holes for easy empty and the heavy duty feet on the bottom of the receptacle protects both the unit and floor surfaces.

Finger-print proof tops available in five textured finishes: Black (BLX), Brown (BRX), Burgundy (BURX), Hunter Green (HGX) and Indigo (INGX).

This unit ideal for high-volume, high-traffic areas such as airports, schools, hospitals and convention centers!
