

EX-CELL

KAISER

STREETSCAPE COLLECTION

SCTP-40 ND

The Streetscape Collection takes “heavy-duty” to a whole new level.

These 45-gallon capacity waste and recycling receptacles are constructed entirely of heavy duty, all steel and ideal for high-traffic locations.

SPECIFICATIONS:

- 45-gallon outdoor waste or recycling receptacle
- Unit is available with or without a rain canopy
- Each unit comes with an LLDPE liner with lift holes & bag retention notches
- Liners meet UL94 flammability standards
- Pre-drilled holes in the bottom of the unit allow for in-ground mounting (kit included)
- Contains over 30% recycled materials & is 100% post-consumer recyclable
- Units have removable flat top lids with 12” diameter circular opening.

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
