

PIONEER FLOOR URN & SAND

160F, 160F BG, 160S, 155

160F BLX

160F BG BLX

160S BLX (with 155 BLK)

One of our legacy products, these freestanding powder coated floor urns can be found in thousands of locations. Plus, get the best impressions from your sand imprinter with our extra smooth, fine grain, black silica sand.

FEATURES & BENEFITS

- All steel cigarette receptacle
- Powder coat textured finish prevents fingerprints and smudges
- 160F and 160F BG feature a removable, self-closing flip top with stainless steel blades
- 160F BG bridge allows for up to 3 cigarettes to be rested
- 160S features a removable sand top for easy emptying and cleaning
- Our high-quality black silica sand comes in a 23 lb. box and is enough for 10 sand top urns (160S)
- Replacement parts shown on product pages at ex-cell.com
- Urns contain over 30% recycled materials and are 100% post-consumer recyclable
- Urns are made in the USA. Sand is Imported

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
