

SRS-1 SMOKERS' OASIS

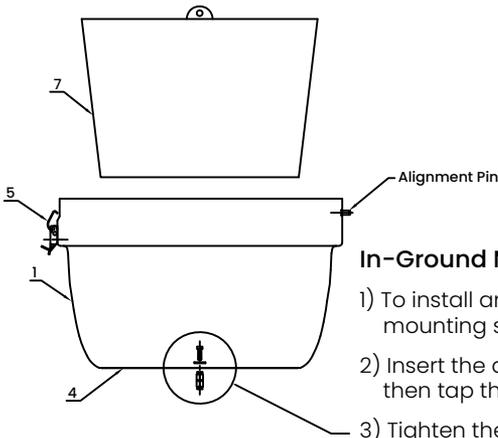

Components to lock and anchor the Smoker's Oasis are sold separately as a kit.

Pad-lockable hasp closure both secures the unit and allows the unit to be pad-locked or secured to a fixture.

Tip: For optimal performance, keep unit securely closed, thereby reducing the flow of oxygen into the unit.

Parts List		
Item	P/N	Description
1	99-025	Base
2	21-030	Top
3	60-921W	Tube

6	31-041 S	#10-24 x 1/4" long Screw
7	45-113-NOSEAL	Bucket
SRS-LCK		Cable, lock and anchor Kit

In-Ground Mounting Instructions:

- 1) To install anchor, drill (not included) 3/8" hole into the mounting surface at least as deep as the anchor.
- 2) Insert the anchor (threaded side down) into the hole, then tap the anchor until it is flush with the surface.
- 3) Tighten the hex bolt.
