

LANDSCAPE SERIES

RC-2441 CANS RBL

The RC-2441 Landscape Recycling Receptacle is a large, extremely durable unit built to withstand the elements. Designed for outdoor applications, the Landscape Series features a 40 gallon capacity and attractive perforated steel construction.

FEATURES & BENEFITS

- Four openings, each 5" in diameter, featuring crisp, white CANS/BOTTLES ONLY graphics with universal Mobius arrows
- Dome lid is secured to unit with a plastic coated steel security lanyard to prevent theft and vandalism
- Heavy duty feet keep the unit slightly elevated off ground surfaces
- Pre-drilled holes in the bottom of the unit allow for in-ground mounting (anchor kit included)
- Includes an LLDPE plastic liner with lift holes and bag retention notches.
The liner base resin meets UL94 flammability standards
- Replacement parts shown on product pages at ex-cell.com
- Contains over 30% recycled steel and is 100% post-consumer recyclable
- Made in the USA

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
