

KALEIDOSCOPE COLLECTION

RC-KDHR, RC-KDSQ

RC-KDHR

RC-KDSQ

With bright, bold colors, easy to read graphics and seemingly limitless combinations, it's no wonder the entire series of Kaleidoscope Collection receptacles has become one of Ex-Cell Kaiser's most notable and popular collections.

With hundreds of possible combinations, customers can design a modular recycling system that meets their exact needs. When needs change, the individual receptacles can be moved or rearranged to accommodate a new waste stream requirement.

FEATURES & BENEFITS

- Half round 8 gallon and square 24 gallon indoor Recycling or Waste Receptacles
- Each unit includes a removable LLDPE liner with lift handles and bag retention notches. The liner base resin meets UL94 flammability standard
- Crisp, white, easy-to-read graphic pre-applied on two sides for desired waste streams: CANS/BOTTLES, COMPOST, PLASTIC, PAPER, RECYCLABLES, or TRASH
- Fingerprint-proof textured powder coat finish on body in black, red, green and blue
- Fingerprint-proof textured powder coat finish on lids in silver star metallic
- Sturdy feet to protect floor surfaces and keep unit slightly elevate to allow for air circulation and prevent mold/mildew growth and "mop around" rings
- Replacement parts shown on product pages at ex-cell.com
- Contains over 30% recycled materials and is 100% post-consumer recyclable
- Made in the USA

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
