

VENUE COLLECTION | HALF ROUND

VC2234 HR SS/BLX, VC2234 HR SS/PLTNM

Ex-Cell Kaiser is proud to offer one of the largest capacity half round receptacles on the market. Featuring a 20 gallon liner and an attractive perforated stainless steel body, the VC2234 HR combines functionality with an eye-catching design. The lid is available in black and platinum finishes, but custom colors are also available.

FEATURES & BENEFITS

- Brushed Stainless Steel body is fully welded with contemporary perforated hole pattern
- Flat half round hinged lid with 16" L x 6.75" R opening is finished in platinum or black powder coating
- Hinged lid allows for hassle-free serviceability
- Bottom of unit features leveling feet
- Includes 20 gallon capacity LLDPE plastic liner with lift holes and bag retention notches.
The liner base resin meets UL94 flammability standards
- Contains over 60% recycled steel and is 100% post-consumer recyclable
- Made in the USA

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
