

EX-CELL

KAISER

VENUE COLLECTION - HALF-ROUND

VC2234 HR SS/BLX, VC2234 HR SS/PLTNM

Ex-Cell Kaiser is proud to offer one of the largest capacity half-round receptacles on the market.

Featuring a 20-gallon liner and an attractive perforated stainless steel body, the VC2234 HR combines functionality with an eye-catching design.

SPECIFICATIONS:

- 20-gallon capacity indoor waste receptacle
- Constructed of brushed stainless steel with a fully welded design
- Body features contemporary perforated hole pattern
- Flat, half-round, hinged lid with 16" L x 6.75" R opening
- Lids finished in either premium Platinum or Black Texture powder coat paint
- Bottom of unit features leveling feet to protect floor surfaces & keep unit slightly elevated
- Each unit includes an LLDPE liner with lift holes & bag retention notches
- Liners meet UL94 flammability standards
- Contains over 60% recycled materials & is 100% post-consumer recyclable

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
