

EX-CELL

KAISER

Decorative Receptacles for Waste and Recycling

LANDSCAPE SERIES

Different Capacities, Colors, and Styles

The Landscape Series offers a wide range of outdoor receptacles with varying capacities, designs, and sizes. With over 7 different styles to choose from, there is sure to be a unit that fits your specific needs. The Landscape Series also allows for customization with laser cut graphics, making it easy to denote a unique waste stream or add your logo.

Ranging in size from 10 to 40 gallons, the Landscape Series is perfect for any outdoor space, whether it's for pet waste, FOD, or high-traffic areas like parks or nature centers.

In addition to its functional benefits, the Landscape Series also offers stylish options to enhance any outdoor space. The perforated design of the receptacles provides a modern and sleek look, while the variety of colors available allows for customization to match any aesthetic. With its combination of functionality and style, the Landscape Series is the perfect choice for any outdoor waste management needs.

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
