**PET WASTE BAG DISPENSER**

# Built for Busy Spaces, Designed for Every Setting

Strong enough for high-traffic environments yet sleek enough to blend beautifully into any outdoor space, the Universal Pet Waste Bag Dispenser keeps parks, trails, and pet-friendly areas clean and inviting.

Smart, simple, and stylish, it holds two boxes of bags from most major brands, so you'll always be stocked. Dual bone-shaped openings make it quick and easy to grab a bag while adding a fun, playful detail pet owners appreciate.

Crafted from heavy-duty 16-gauge galvanized steel and finished with a durable Hunter Green Gloss powder coat, this dispenser is built to last. It fits boxed rolls up to 9.69" x 3.1" x 3.1" and includes mounting holes and vertical slots for flexible installation.

Proudly made in the USA, the Universal Pet Waste Bag Dispenser is fully customizable — from colors to logos — to perfectly suit your space and brand.

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
